5. Procedure

5.1 Individual Codes of Conduct

All relevant staff at Cornerstone Healthcare Group have personal responsibility for maintaining their compliance with all of the requirements of their code of conduct.

It is the individual responsibility of staff to comply with any published guidelines in association with their regulating bodies, such as the Health Care Professional Council, General Medical Council and the Nursing and Midwifery Council.

5.2 Cornerstone Healthcare Group will provide computer and Internet access for employed staff during their working hours. This will be used to access their regulatory body website and any associated resources, standards and guidelines.

5.3 General Manager will ensure that new Care Workers starting employment at Cornerstone Healthcare Group receive a copy of the Staff Handbook which requests staff to access the Skills for Care Code of Conduct.

5.4 In relation to visiting professionals, any concerns with performance or conduct when supporting Service Users will be reported to the line manager.

General Manager will follow due processes with regard to reporting safeguarding concerns to the safeguarding team of Surrey as well as informing the CQC and relevant regulatory bodies as deemed necessary.

5.5 NMC Code of Conduct

The NMC Code contains the professional standards that Registered Nurses, Midwives and Nursing Associates must uphold. Nurses, Midwives and Nursing Associates must act in line with the Code, whether they are providing direct care to individuals, groups or communities or bringing their professional knowledge to bear on nursing and midwifery practice in other roles, such as leadership, education, or research. The values and principles set out in the Code can be applied in a range of different practice settings, but they are not negotiable or discretionary (- NMC 2018).

The Code contains a series of statements that taken together signify what good practice by Nurses, Midwives and Nursing Associates looks like. It puts the interests of patients and Service Users first, is safe and effective, and promotes trust through professionalism(- NMC 2018).

The statements are broken down into 4 main groups:

- Prioritise People
- Practise Effectively
- Practice Safety
- Promote Professionalism and Trust

The full set of statements can be located in the Code which is accessible from the Further Reading section of this policy.

5.6 Breach of the NMC Code

Nurses, Midwives and Nursing Associates must have specific skills, knowledge, health and character to do their jobs safely and effectively. If someone raises a concern, or Cornerstone Healthcare Group feels that any Nurse, Midwife or Nursing Associate fails to meet the criteria set out in the Code, or is made aware of a possible breach of the code, a referral will be made to the Nursing and Midwifery Council and the registered professional may be subject to the NMC fitness to practice process. Refer to [What is fitness to practise - The Nursing and Midwifery Council \(nmc.org.uk\)](https://www.nmc.org.uk/what-is-fitness-to-practise).

5.7 Registered Nurse Registration Verification

Cornerstone Healthcare Group will [conduct verification of registration checks](#) and maintain a record. Cornerstone Healthcare Group registered nurses will be reminded that they are duty bound to advise General Manager of any changes made to their registration status or of any situations that may present that could impact their registration immediately.

Reflection on the Registered Nurse Code of Conduct will be achieved through revalidation and as part of their scheduled clinical supervision offered by Cornerstone Healthcare Group.

5.8 Organisational Conduct and Standards

Staff are under the duty to comply with the conduct and standards required by Cornerstone Healthcare Group and to behave in a reasonable manner at all times. Failure to comply with the conducts and standards required by Cornerstone Healthcare Group may be regarded as gross misconduct.
